## Student Declaration

- I am aware that adding or dropping a course may affect part-time or full-time status, which could affect my fees, OSAP eligibility and funding amount. **Please note: You may be full-time with Cambrian, but not eligible for full-time OSAP if you are taking less than a 60% course load (or 40% if you are registered with OSAP with a permanent disability).**
- If adding a course results in overload fees, I will be responsible to pay the resulting fee.
- It is my responsibility to return the form to the Enrolment Centre by the deadline date set out in the academic schedule.

*I have read and understood the above and also understand that I am responsible for the full payment of my fees.*
