### Eligibility

This giveaway is open to legal residents of Ontario who are eighteen (18) years of age or older at the time of entry and who have applied and registered to Hanson College for the May 2024 intake at either Toronto or Brampton campus. Employees, representatives, and agents of Hanson Canada and their immediate family members are not eligible to participate in the Giveaway.

### How to Enter

No purchase necessary. Eligible students must complete the application form for the May 2024 intake online or at either the Toronto campus or at Brampton campus of Hanson College. Each student is limited to one entry. Each day, all new applicants at each campus will automatically be entered into the daily draw for that campus.

### Promotion Period

The giveaway begins on May 1, 2024, at 12:00 AM Eastern Standard Time (EST) and ends on May 8, 2024, at 11:59 PM EST.

### Prize

One winner will be selected each day during the promotion period to receive a \$300 CAD gift card, redeemable at Amazon or Walmart. Each day, all new applicants at each campus will automatically be entered into the daily draw for that campus.

### Winner Selection

Winners will be chosen at random from all eligible entries received during the Promotion Period. To be eligible to receive the prize, the selected entrants must first correctly answer the following mathematical skill-testing question:  $(2 \times 10) + (30/5) - 8 = ?$ . The draw will take place on May 10, 2024.

### Notification

The winners will be notified via email once the student is successfully registered. If a winner cannot be contacted within ten (10) calendar days of the first notification attempt, or if a prize notification is returned as undeliverable, the prize will be forfeited.
